Bachelor of Science in Computer Science | Minor: Leadership

May 2019

GPA 3.6/4.0 - University of Florida, Gainesville, FL

Relevant Coursework: COP3530: Data Structures | COT3100: Discrete Structures | COP3502: Programming 1 | COP3503: Programming 2

Skills

Computer: Proficient in Java; Proficient in C++; Beginner in HTML

Project Experience

COP3503 Group Project

February 2017-May 2017

- Joined a team with other students to work collaboratively on a chess game in C++ from scratch
- Worked with other team members on our assigned roles to assure we were on track
- Utilized GitHub to properly apply version control to the group project code

Work Experience

Dining Ambassador, Aramark at the University of Florida

May 2017-July 2017

Gainesville, FL

May – MVP of the month

- Interacted with parents and students over 12 UF Preview sessions to explain the benefits of having a Meal Plan on campus
- Gave in-depth explanations ranging from usage scenarios to price breakdowns to persuade students and parents to sign up
- Aided with the signup process as well as handout signup bonuses to secure and further persuade sales
- Worked collaboratively as a team to make each sale by talking with parents and students and giving different benefits

Involvement

UF Association of Computer Engineers

Historian

January 2017-Present

- Tasked with recording each ACE event and compose a final presentation containing all the events from the past year
- Assist other ACE members with course advice, taking professional headshots, and other student activities
- Participate in ACE events by assisting with set up, event procedures, and clean up including on-campus, off-campus
- Provide education to the local community through outreach events by teaching and displaying various technologies

UF Pride

Assistant Event Director | Pride Awareness Month Drag Show

September 2016-April 2017

- Selected as Assistant Event Director to assist the Event Director in largest event for Pride Awareness Month
- Assisted in booking performers and venue for the show with expected attendance of over 900
- Worked backstage throughout the event to ensure the production was running smoothly
- Managed the tech script to ensure performers, music, and visuals were ready when scheduled
- Delegated tasks to other staffers to ensure lines, seating, and meet and greets went smoothly

Event Director | Pride Awareness Month Drag Bingo

September 2015-April 2016

- Managed an event budget of \$100 for a social event for the Gainesville community
- Planned, organized, and managed event logistics for a social event with attendance over 50 people
- Event was hosted at a local venue and consisted of a Bingo game and performances throughout by hired local performer
- Advertised for events throughout the month through tabling and handing out flyers
- Worked as a team throughout the month to assist in other event directors' events through set-up, clean-up, and general event help
